“ *It was so sad to hear of Steve's passing. He was wonderful, kind man. Always greeted you with that smile and laughter. He did so much contract work at my home thought out the years and always took that extra step to help out. He will be greatly missed.

“ Our deepest condolences to the Danysh family. Stevie did an awesome job last year installing devices to assist our dad so he could remain in his home and independent longer. It was always a pleasure seeing him and his "sly" smile growing up in "Little" Weston. May you R.I.P. Stevie.

“ My grandparents lived across the street from his family. I went to school with him. There are only fond memories. When I moved back to Manville 3 years ago, I frequently saw him outside of his home. I am sad for family and friends. My heart goes out to you.

“ I am so sorry to hear of Steve's passing. I will miss seeing him in the neighborhood working on his lawn or driving his white van. He always had a bright smile and friendly greeting whenever we saw each other. My thoughts and prayers are with the family at this sad time.
